

City: _____ on Date: _____

Educational Institution: _____

Mr./Dr./Prof.: _____

Secretary of Public Education of the State of _____

Through this document, I express and present the reasons why I would like to be part of the prestigious _____ and study _____, which has become a source of inspiration for me in the professional achievements I aim to accomplish in the future.

Regarding the above, my interest in studying this educational program is because I am aware that the foundation of every human being is education. Therefore, I am committed to developing this career and providing quality education. Additionally, witnessing the professional growth process of a child greatly inspires me, as I had teachers in my childhood who left a lasting impact on me—teachings I will never forget, which have shaped me into a determined and committed person today.

Furthermore, reaching this educational level is both an achievement and a significant sacrifice for me, as I had to leave my hometown at a very young age to pursue a high school education that would allow me to access higher education.

As for myself, I am a committed and passionate student, which is why I am convinced that I have the necessary skills to be part of this school and become a professional who will bring pride to the institution.

Without further ado, I bid you farewell and eagerly await the opportunity to be accepted so that I may continue my professional development. I extend my warmest regards.

Sincerely,

Name: _____
